

Buying a Home? Reduce Your Mortgage Up To 20%!

If you are buying a home and your income is below 80% of your county's median income, you may be eligible for second mortgage assistance that could reduce your overall mortgage payments by up to 20%. This help is offered by the N.C. Housing Finance Agency through local organizations that are members of the Community Partners Loan Pool (CPLP).

This zero-interest, deferred second mortgage is combined with an N.C. Home Advantage Mortgage™ or a USDA Section 502 loan. If you are also a first-time buyer, you may be eligible for a Mortgage Credit Certificate (MCC) that can save up to \$2,000 a year in federal taxes. The N.C. Home Advantage Mortgage™ can be combined with both the CPLP second mortgage and an MCC if you are eligible for each product.

Both the N.C. Home Advantage Mortgage™ and MCCs are offered by the N.C. Housing Finance Agency through participating lenders statewide. Please visit nchfa.com/home-buyers/find-lender to find a lender in your area.
