# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

*Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

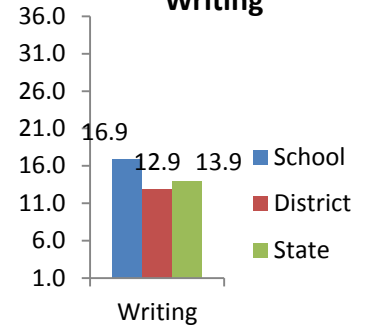

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by offering a varied comprehensive curriculum as well as helping students attain the necessary skills to be successful in their post-secondary lives. ILHS is a comprehensive High School with a thriving Career and Technology Education (CATE) department. Our students have the ability to explore careers ranging from Construction to Engineering. Students have the opportunity to complete programs in Construction, Automotive Science, Agricultural Science, Family and Consumer Science and Business as well as two complete Project Lead The Way (PLTW) courses of study one in Engineering the other in BioMedical Sciences. ILHS' collaboration with the Winthrop University –School Partnership Network, a NETWORK of Sustained, Collaborative, Ongoing Preparation for Educators has continued to grow and flourish. Through this alliance, ILHS has been awarded several grants, fostering success throughout various departments across the curriculum. For the second year, every Freshman student at ILHS has studied the book "lol...OMG" which emphasizes the student's digital footprint. The objective of this initiative is to start a dialogue among our students and community about the proper use of technology, particularly social media. This year ILHS added our "Parent Powwow" series which invited parents and students to the school to speak with college planners and career professionals regarding their post-secondary needs. These programs reiterated themes from Freshman Orientation including success in High School and the "soft skills" needed to succeed beyond High School. This past school year, ILHS students and faculty made greater strides toward becoming a school of character. Through our Friends of Rachel club, students and teachers were moved to start a chain reaction of kindness. Through this effort, ILHS Seniors and Student Government, along with Servants with a Heart, packed more than 50,000 meals. It is our duty to not only change the climate of the school but the community as well. David Shamble, Principal Melvin Stroble, SIC Chairman

**KNOWLEDGE**

**Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015**

**Average ACT Score Achieved by Students: Writing**

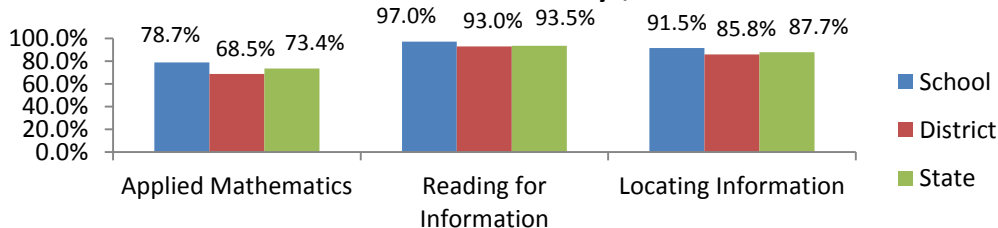

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
50.5	26.3	34.8	23.2	14.6

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

**Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015**

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
